

Registering for the SAT

1. Go to sat.collegeboard.org/home
2. There is a wealth of information about the test that can be found on this site so feel free to explore!
3. In order to register, you will need to create a free account by selecting "Register Now" in the upper right hand corner
4. This will then direct you to create an account through "Sign Up." Be sure to write down your account information for the future.
5. After you sign up, the site will redirect you back to the SAT Registration page where you will want to select search for a high school
 - a. West Morris Central High School Code is 31211
 - b. West Morris Mendham High School Code is 31493
6. The site will then redirect you to update your profile and have you select a test date as well as a test center and you can register online

Registering for the ACT

1. Go to act.org
2. Click on the "Registration" tab, which is located at the top of the page
3. In the first paragraph, you will see a link to "Online Registration"
4. You will be asked to create an account if you do not already have one. Be sure to remember your login information for the future.
5. After you create your account and login, you will want to select a test date and testing center to register

SAT Subject Tests

Subject Tests are hour-long, content-based tests that allow you to showcase achievement in specific subject areas where you excel. These are the only national admission tests where you choose the tests that best showcase your achievements and interests. You can take up to THREE tests at a time. In conjunction with your other admission

credentials (high school transcript, SAT/ACT Scores, teacher recommendations, etc.), they provide a more complete picture of your academic background and interests. Check out collegeboard.org for information on which areas the Subject Tests are offered in. When finalizing your list of colleges, be sure to check and see if the colleges you are applying to require you to take any Subject Tests.

How to send your SAT scores?
