Dear Parents & Students,

Here are the Guidance Updates for the month of February.

AP Sign-ups

We are still accepting registrations for AP assessments. Registration ends on Sunday, February 17, 2019. For more information on the online registration process please view the [2019 AP Registration and Testing form](#) on the guidance webpage.

College Information

Please be advised that midyear reports have been sent to all colleges and universities that seniors have applied to for next year. Please keep counselors apprised of your admissions' decisions.

Local Scholarship Program

Each year seniors are able to compete for scholarships provided by local vendors and communication organizations. The local scholarship applications will be posted on the guidance webpage during the last week of February. I will email seniors and families when they are available.

Peer Tutoring

Our peer tutoring program is thriving and receiving great reviews. Should you feel you need extra assistance please use the [peer tutoring link to request a tutor](#).
